Manhole ID: <u>23K 056</u>	Test ID: <u>1029 - 053 - 01</u>	Notifications Made: <u>X</u>

**Field Sketch:** (Show all manholes with numbers, blower placement location, sandbag or isolation locations, street names, building addresses and locations, defect locations and photograph numbers)

NO DEFECTS

The sketch shows a residential block bounded by MCHENRY ST to the north, RAMSAY ST to the south, and S. STRICKER ST to the east. A green line, likely representing a sewer line, runs from the northwest corner, through the center of the block, and exits at the southeast corner. Manholes are marked with dots and labeled with numbers: 054, 035, 056, 081, 004, 003, 018, 050, 028, and 027. Building footprints are drawn with their respective addresses. A hatched area in the top left corner is labeled 'Inspection Area' and 'Inspect This Area'. The text 'NO DEFECTS' is written at the top of the sketch area.
